## Request for Expression of Interest for Cement Equipment and Technology Suppliers

Hormuz Al Anwar Cement SAOC with registration No. 1292967 in Sultanate of Oman, a mutual investment between "Hormozgan Cement Co." and "Al Anwar Holdings SAOG", in order to establish a cement mill(s) factory in Duqm Special Economic Zone, Sultanate of Oman, would like to purchase the main machineries and equipment for its production line from international reliable and creditable supplier companies as follow:

- 1- Mechanical equipment for grinding line via crushing imported clinker and the other 3 additive components with capacity of 1 million MT per annual.
- 2- Equipment for 2 cement silos with bulk loading system.
- 3- Full automatic Roto-packer to pack 25 to 50 kg packed cement, bulk in 1 to 2 MT jumbo bag, palletizing and sling bag packing system.
- 4- Bag House.
- 5- Complete equipment for electrical, controls and instruments.

### Consideration:

- 1- The companies who are able to finance the project and submit an appropriate offer will be in the priority list.
- 2- With considering the limitation of water in the area, the offers which are no or low water consumption base will be in the priority list.

Therefore, we would like to invite all manufacturers, supplier companies or their official representatives/agents to participate in the above mentioned tender and submit the full technical data and sketch, references, finance suggestions and so on, by 31st July, 2017, to Al Anwar Holdings SAOG central office, Villa No. 897, Way No. 3013, Shatti Al-Qurum, P. O. Box 468, Al-Hamriya, P. C. 131, Sultanate of Oman. The documents which will receive after the mentioned date will not be considered.
